

Ohio Revised Code

Section 122.0810 Grant application evaluation - prioritization - notice of deficiencies.

Effective: September 29, 2007

Legislation: Senate Bill 24 - 127th General Assembly

(A) Each application for a grant pursuant to the annual competitive process received by a district public works integrating committee shall be evaluated by the executive committee of the district committee. In conducting the evaluation, the executive committee shall determine whether the application for the proposed eligible project is complete and whether the project meets the requirements of section 122.0815 of the Revised Code. If the application is complete and the eligible project meets the requirements of section 122.0815 of the Revised Code, the executive committee shall prioritize the eligible project pursuant to section 122.0816 of the Revised Code and pursuant to local priorities, as those priorities are determined by the executive committee, with all other eligible projects with complete applications that meet the requirements of section 122.0815 of the Revised Code. If the application is incomplete or the project does not meet the requirements of section 122.0815 of the Revised Code, the executive committee shall notify the applicant of the deficiencies and the period of time the applicant has to correct the deficiencies and submit the corrections to the executive committee. Failure to correct deficiencies within the time designated by the executive committee shall disqualify the project from consideration for a grant during the annual competitive process for that year.

The executive committee, by the affirmative vote of a majority of all its members, shall select up to three eligible projects from the projects it has prioritized each year pursuant to the annual competitive process. The executive committee shall forward the applications and any accompanying information for each of the selected eligible projects to the department of development in the time and manner required by the rules governing the annual competitive process for the job ready site program.

(B) For a district public works integrating committee that does not have an executive committee, the full committee shall perform the functions assigned to the executive committee under section 122.0816 of the Revised Code and division (A) of this section.
