

Ohio Revised Code

Section 122.4050 County request application solicitation.

Effective: May 17, 2021

Legislation: House Bill 2

Upon adoption of a resolution, a board of county commissioners may request the development services agency to solicit applications from broadband providers for program grants under the Ohio residential broadband expansion grant program for eligible projects in the municipal corporations and townships of the county.

A request made by a county shall identify, to the extent possible, the residential addresses in unserved or tier one areas of the county and provide a point of contact at the county and the municipal corporations and townships in which the addresses are located. The request may include any relevant information, documents, or materials that may be helpful for an application.
