

Ohio Revised Code

Section 122.4051 Solicitation on behalf of county.

Effective: May 17, 2021

Legislation: House Bill 2

Upon receipt of a request from a board of county commissioners pursuant to section 122.4050 of the Revised Code, the development services agency shall solicit, on behalf of the county, applications for program grants for eligible projects under the Ohio residential broadband expansion grant program. Not later than seven days after receipt of the request, the agency shall make the request, and any accompanying information submitted with the request, available for review on the agency's web site. The request shall remain available on the web site for a period not to exceed two years.
