

Ohio Revised Code

Section 122.4055 No responsibility for lack of response.

Effective: May 17, 2021

Legislation: House Bill 2

The development services agency shall not be responsible for any failure by a broadband provider to respond to a request made by the agency pursuant to section 122.4051 of the Revised Code or to submit an application for a program grant under the Ohio residential broadband expansion grant program.
