(A) The clean Ohio revitalization fund is hereby created in the state treasury. The fund shall consist of moneys credited to it pursuant to section 151.40 of the Revised Code. Moneys in the fund shall be used to make grants or loans for projects that have been approved by the clean Ohio council in accordance with section 122.653 of the Revised Code, except that the council annually shall devote twenty per cent of the net proceeds of obligations deposited in the clean Ohio revitalization fund for the purposes of section 122.656 of the Revised Code.

Moneys in the clean Ohio revitalization fund may be used to pay reasonable costs incurred by the department of development and the environmental protection agency in administering sections 122.65 to 122.658 of the Revised Code. All investment earnings of the fund shall be credited to the fund. Investment earnings credited to the clean Ohio revitalization fund may be used to pay costs incurred by the department of development and the environmental protection agency pursuant to sections 122.65 to 122.658 of the Revised Code.

The department of development shall administer the clean Ohio revitalization fund in accordance with this section, policies and requirements established under section 122.657 of the Revised Code, and the terms of agreements entered into by the council under section 122.653 of the Revised Code.

(2) Payment of the reasonable cost of an assessment at the property;

(3) The reasonable value, as determined by the council, of labor and materials that will be contributed by the applicant in performing the cleanup or remediation;

If, upon completion of a project, the costs of the project are less than the amounts included in the application, the amounts included in the application less the amounts of the actual costs of the project shall be credited to the clean Ohio revitalization fund. However, the amounts credited shall be equivalent in percentage to the percentage of the costs of the project that were to be funded by the grant or loan from the fund.
