

## Ohio Revised Code

### Section 124.241 Professional employees and registered service employees of county board of developmental disabilities.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

---

As used in this section, "professional employee" has the same meaning as in section 5126.20 of the Revised Code and "registered service employee" means a service employee, as defined in section 5126.20 of the Revised Code, who is registered under section 5126.25 of the Revised Code.

County boards of developmental disabilities may hire professional employees and registered service employees in the classified service on the basis of the candidates' qualifications rather than on the basis of the results of a civil service examination, as described in division (D) of section 124.23 of the Revised Code.
