

Ohio Revised Code Section 124.322 Layoff procedures.

Effective: July 1, 2007

Legislation: House Bill 187 - 126th General Assembly

Whenever a reduction in the work force is necessary, the appointing authority of an agency shall decide in which classification or classifications the layoff or layoffs will occur and the number of employees to be laid off within each affected classification. The director of administrative services shall adopt rules, under Chapter 119. of the Revised Code, establishing a method for determining layoff procedures and an order of layoff of, and the displacement and recall of, laid-off state and county employees.

The order of layoff in those rules shall be based in part on length of service and may include efficiency in service, appointment type, or similar other factors the director considers appropriate. If the director establishes relative efficiency as a criterion to be used in determining order of layoff for state and county employees, credit for efficiency may be other than ten per cent of total retention points.
