

Ohio Revised Code

Section 128.15 Deadline for installation of 9-1-1 system.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

(A) Within three years from the date an initial final plan becomes effective under division (B) of section 128.08 of the Revised Code, the wireline service providers designated in the plan shall have installed the wireline telephone network portion of the 9-1-1 system according to the terms, conditions, requirements, and specifications set forth in that plan.

(B)(1) Upon installation of a countywide 9-1-1 system, the board of county commissioners may direct the county engineer to erect and maintain at the county boundaries on county roads and state and interstate highways, signs indicating the availability of a countywide 9-1-1 system. Any sign erected by a county under this section shall be erected in accordance with and meet the specifications established under division (B)(2) of this section. All expenses incurred in erecting and maintaining the signs shall be paid by the county.

(2) The director of transportation shall develop design specifications for signs giving notice of the availability of a countywide 9-1-1 system. The director also shall establish standards for the erection of the signs and, in accordance with federal law and regulations and recognized engineering practices, specify those locations where the signs shall not be erected.
