Except as provided in this section, appropriations made to a specific fiscal year shall be expended only to pay liabilities incurred within that fiscal year.

(b) The financial allocations described in division (D)(1)(a) of this section shall be reconciled at the end of the federal grant period of availability or as required by federal law, regardless of the state fiscal year of the appropriation.

(2) The director of job and family services may adopt rules in accordance with section 111.15 of the Revised Code, as if they were internal management rules, as necessary to implement division (D) of this section.
