

Ohio Revised Code

Section 145.91 Member rights governed by plan selected.

Effective: October 1, 2002

Legislation: Senate Bill 247 - 124th General Assembly

The right of each member participating in a PERS defined contribution plan to a retirement, disability, survivor, or death benefit, to health or long-term care insurance or any other type of health care benefit, or to a withdrawal of any amounts that have accumulated on the member's behalf shall be governed exclusively by the plan selected by the member.
