

## Ohio Revised Code

### Section 149.10 Submission of audit reports.

Effective: November 23, 1977

Legislation: Senate Bill 221 - 112th General Assembly

---

All boards, commissions, agencies, institutions, and departments in the executive branch of state government shall submit to the auditor of state a copy of each formal internally or independently produced audit report, as well as any management study or report which recommends changes which would affect the auditing system.

---
