

Ohio Revised Code

Section 1302.63 Waiver of buyer's objections by failure to particularize - UCC 2-605.

Effective: June 29, 2011

Legislation: House Bill 9 - 129th General Assembly

(A) The buyer's failure to state in connection with rejection a particular defect which is ascertainable by reasonable inspection precludes the buyer from relying on the unstated defect to justify rejection or to establish breach:

(1) where the seller could have cured it if stated seasonably; or

(2) between merchants when the seller has after rejection made a request in writing for a full and final written statement of all defects on which the buyer proposes to rely.

(B) Payment against documents made without reservation of rights precludes recovery of the payment for defects apparent in the documents.
