

Ohio Revised Code

Section 1333.72 Energy usage labels for new grain-drying equipment.

Effective: June 29, 2011

Legislation: House Bill 9 - 129th General Assembly

No person shall sell, offer for sale, or install for use any new grain-drying equipment unless the equipment is labeled or accompanied by an operator's manual to indicate its energy usage to the prospective purchaser of the equipment. Whoever violates this section is guilty of a minor misdemeanor.
