directory, material, newsletter, or information.

(B)(1) Any state agency or agency of a political subdivision that owns or licenses computerized data that includes personal information shall disclose any breach of the security of the system, following its discovery or notification of the breach of the security of the system, to any resident of this state whose personal information was, or reasonably is believed to have been, accessed and acquired by an unauthorized person if the access and acquisition by the unauthorized person causes or reasonably is believed will cause a material risk of identity theft or other fraud to the resident. The disclosure described in this division may be made pursuant to any provision of a contract entered into by the state agency or agency of a political subdivision with any person or another state agency or agency of a political subdivision prior to the date the breach of the security of the system occurred if that contract does not conflict with any provision of this section. For purposes of this section, a resident of this state is an individual whose principal mailing address as reflected in the records of the state agency or agency of a political subdivision is in this state.

(2) The state agency or agency of a political subdivision shall make the disclosure described in division (B)(1) of this section in the most expedient time possible but not later than forty-five days following its discovery or notification of the breach in the security of the system, subject to the legitimate needs of law enforcement activities described in division (D) of this section and consistent with any measures necessary to determine the scope of the breach, including which residents' personal information was accessed and acquired, and to restore the reasonable integrity of the data system.

(C) Any state agency or agency of a political subdivision that, on behalf of or at the direction of another state agency or agency of a political subdivision, is the custodian of or stores computerized data that includes personal information shall notify that other state agency or agency of a political subdivision of any breach of the security of the system in an expeditious manner, if the personal information was, or reasonably is believed to have been, accessed and acquired by an unauthorized person and if the access and acquisition by the unauthorized person causes or reasonably is believed will cause a material risk of identity theft or other fraud to a resident of this state.

(D) The state agency or agency of a political subdivision may delay the disclosure or notification required by division (B), (C), or (F) of this section if a law enforcement agency determines that the
Disclosure or notification will impede a criminal investigation or jeopardize homeland or national security, in which case, the state agency or agency of a political subdivision shall make the disclosure or notification after the law enforcement agency determines that disclosure or notification will not compromise the investigation or jeopardize homeland or national security.

(E) For purposes of this section, a state agency or agency of a political subdivision may disclose or make a notification by any of the following methods:

(1) Written notice;

(2) Electronic notice, if the state agency's or agency of a political subdivision's primary method of communication with the resident to whom the disclosure must be made is by electronic means;

(3) Telephone notice;

(4) Substitute notice in accordance with this division, if the state agency or agency of a political subdivision required to disclose demonstrates that the agency does not have sufficient contact information to provide notice in a manner described in division (E)(1), (2), or (3) of this section, or that the cost of providing disclosure or notice to residents to whom disclosure or notification is required would exceed two hundred fifty thousand dollars, or that the affected class of subject residents to whom disclosure or notification is required exceeds five hundred thousand persons. Substitute notice under this division shall consist of all of the following:

(a) Electronic mail notice if the state agency or agency of a political subdivision has an electronic mail address for the resident to whom the disclosure must be made;

(b) Conspicuous posting of the disclosure or notice on the state agency's or agency of a political subdivision's web site, if the agency maintains one;

(c) Notification to major media outlets, to the extent that the cumulative total of the readership, viewing audience, or listening audience of all of the outlets so notified equals or exceeds seventy-five per cent of the population of this state.
(5) Substitute notice in accordance with this division, if the state agency or agency of a political subdivision required to disclose demonstrates that the agency has ten employees or fewer and that the cost of providing the disclosures or notices to residents to whom disclosure or notification is required will exceed ten thousand dollars. Substitute notice under this division shall consist of all of the following:

(a) Notification by a paid advertisement in a local newspaper that is distributed in the geographic area in which the state agency or agency of a political subdivision is located, which advertisement shall be of sufficient size that it covers at least one-quarter of a page in the newspaper and shall be published in the newspaper at least once a week for three consecutive weeks;

(b) Conspicuous posting of the disclosure or notice on the state agency's or agency of a political subdivision's web site, if the agency maintains one;

(c) Notification to major media outlets in the geographic area in which the state agency or agency of a political subdivision is located.

(F) If a state agency or agency of a political subdivision discovers circumstances that require disclosure under this section to more than one thousand residents of this state involved in a single occurrence of a breach of the security of the system, the state agency or agency of a political subdivision shall notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis of the timing, distribution, and content of the disclosure given by the state agency or agency of a political subdivision to the residents of this state. In no case shall a state agency or agency of a political subdivision that is required to make a notification required by this division delay any disclosure or notification required by division (B) or (C) of this section in order to make the notification required by this division.

(G) The attorney general, pursuant to sections 1349.191 and 1349.192 of the Revised Code, may conduct an investigation and bring a civil action upon an alleged failure by a state agency or agency of a political subdivision to comply with the requirements of this section.
