

## Ohio Revised Code

### Section 1509.151 Plugging at expense of operator.

Effective: October 20, 1994

Legislation: Senate Bill 182 - 120th General Assembly

---

If a mine operator is about to encounter or encounters an abandoned well whose existence is detrimental to the mining operation, the mine operator may plug the well at his own expense in accordance with all statutes and rules governing the plugging of abandoned wells that apply to any plugging under this section.
