

Ohio Revised Code

Section 1531.28 Contract with private persons for creation or improvement of wildlife habitat.

Effective: October 20, 1994

Legislation: Senate Bill 182 - 120th General Assembly

The division of wildlife, in the management of lands owned, leased, or administered by it or under agreement with it, may contract with private persons for the creation or improvement of wildlife habitat thereon. Such a contract may be paid for in money, materials, services rendered, or goods produced incidentally to the contract, whichever is advantageous to the state.
