

Ohio Revised Code

Section 1533.112 Annual wetlands habitat stamp needed to hunt ducks, geese or brant - wetlands habitat fund.

Effective: September 29, 2005

Legislation: House Bill 66 - 126th General Assembly

Except as provided in this section or unless otherwise provided by division rule, no person shall hunt ducks, geese, or brant on the lands of another without first obtaining an annual wetlands habitat stamp. The annual fee for the wetlands habitat stamp shall be fourteen dollars for each stamp unless the rules adopted under division (B) of section 1533.12 provide for issuance of a wetlands habitat stamp to the applicant free of charge.

Moneys received from the stamp fee shall be paid into the state treasury to the credit of the wetlands habitat fund, which is hereby established. Moneys shall be paid from the fund on the order of the director of natural resources for the following purposes:

(A) Sixty per cent for projects that the division approves for the acquisition, development, management, or preservation of waterfowl areas within the state;

(B) Forty per cent for contribution by the division to an appropriate nonprofit organization for the acquisition, development, management, or preservation of lands and waters within the United States or Canada that provide or will provide habitat for waterfowl with migration routes that cross this state.

No moneys derived from the issuance of wetlands habitat stamps shall be spent for purposes other than those specified by this section. All investment earnings of the fund shall be credited to the fund.

Wetlands habitat stamps shall be furnished by and in a form prescribed by the chief of the division of wildlife and issued by clerks and other agents authorized to issue licenses and permits under section 1533.13 of the Revised Code. The record of stamps kept by the clerks and other agents shall be uniform throughout the state, in such form or manner as the director prescribes, and open at all reasonable hours to the inspection of any person. Unless otherwise provided by rule, each stamp shall remain in force until midnight of the thirty-first day of August next ensuing. Wetlands habitat

stamps may be issued in any manner to any person on any date, whether or not that date is within the period in which they are effective.

Every person to whom this section applies, while hunting ducks, geese, or brant, shall carry an unexpired wetlands habitat stamp that is validated by the person's signature written on the stamp in ink and shall exhibit the stamp to any enforcement officer so requesting. No person shall fail to carry and exhibit the person's stamp.

A wetlands habitat stamp is not transferable.

The chief shall establish a procedure to obtain subject matter to be printed on the wetlands habitat stamp and shall use, dispose of, or distribute the subject matter as the chief considers necessary. The chief also shall adopt rules necessary to administer this section.

This section does not apply to persons under sixteen years of age nor to persons exempted from procuring a hunting license under section 1533.10 or division (A)(2) of section 1533.12 of the Revised Code.
