

Ohio Revised Code

Section 1547.21 Requirements for inflatable vessel.

Effective: June 13, 1990

Legislation: House Bill 522 - 118th General Assembly

No person shall use or offer for use on the waters in this state any inflatable vessel made of canvas, rubber, synthetic rubber, or vinyl plastic unless the inflatable vessel is of multiple air cell or compartment construction and is capable of remaining afloat if one air cell or compartment is punctured or collapsed.
