The application shall be signed by the following:

(a) If the watercraft is owned by two persons under joint ownership with right of survivorship established under section 2131.12 of the Revised Code, by both of those persons as owners of the watercraft. In all other instances, the signatures shall be done manually.

The signature may be done by electronic signature if the owner is renewing the registration personally and there are no changes in the registration information since the issuance of the immediately preceding registration certificate. In all other instances, the signatures shall be done manually.

(d) For class 1 watercraft, forty-five dollars;

(e) For class 2 watercraft, sixty dollars;

(B) All registration certificates issued under this section are valid for three years and are renewable on a triennial basis unless sooner terminated or discontinued in accordance with this chapter. The renewal date shall be printed on the registration certificate. A registration certificate may be renewed by the owner in the manner prescribed by the chief. All fees shall be charged according to a proration of the time remaining in the registration cycle to the nearest year.

(C) In addition to the fees set forth in this section, the chief, or any authorized agent, shall charge an additional writing fee of three dollars for any registration certificate the chief or authorized agent issues. When the registration certificate is issued by an authorized agent, the additional writing fee

of three dollars shall be retained by the issuing agent. When the registration certificate is issued by the chief, the additional writing fee of three dollars shall be deposited to the credit of the waterways safety fund established in section 1547.75 of the Revised Code.

(D) In addition to the fees established in this section, watercraft that are not powercraft shall be charged a waterways conservation assessment fee of five dollars. If a number is assigned by the chief, it shall be set forth on the certificate. The registration certificate shall be on the watercraft for which it is issued and available at all times for inspection whenever the watercraft is in operation, except that livery operators may retain the registration certificate at the livery where it shall remain available for inspection at all times and except as otherwise provided in division (E)(2) of this section.

The registration certificate shall have been obtained under this section for the canoe, rowboat, or inflatable watercraft prior to the time that it was stopped. Failure of the person to present the registration certificate within seventy-two hours constitutes prima-facie evidence of a violation of this section.

(F) No person shall issue or be issued a registration certificate for a watercraft that is required to be issued a certificate of title under Chapter 1548. of the Revised Code except upon presentation of a certificate of title for the watercraft as provided in that chapter, proof of current documentation by the United States coast guard, a renewal registration form provided by the division of watercraft, or a certificate of registration issued under this section that has expired if there is no change in the

(I)(1) The chief may assign any registration certificates to any authorized agent for the assignment of the registration certificates. If a person accepts that authorization, the person may be assigned a block of numbers and certificates that upon assignment, in conformity with this chapter and Chapter 1548. of the Revised Code and with rules of the division, shall be valid as if assigned directly by the division. Any person so designated as an agent by the chief shall post with the division security as may be required by the director of natural resources. (M) If the chief finds that a registration certificate previously issued to an owner is in error to a degree that would impair its basic purpose and use, the chief may issue a corrected certificate to the owner without charge.

(N) No authorized agent shall issue and no person shall receive or accept from an authorized agent a registration certificate assigned to the authorized agent under division (I) of this section unless the exact month, day, and year of issue are plainly written on the certificate by the agent. Certificates issued with incorrect dates of issue are void from the time they are issued.
