

Ohio Revised Code

Section 1776.83 Filing of biennial report.

Effective: June 30, 2011

Legislation: House Bill 153 - 129th General Assembly

(A) A limited liability partnership and a foreign limited liability partnership authorized to transact business in this state shall file a biennial report in the office of the secretary of state. The report shall contain all of the following:

(1) The name of the limited liability partnership and the state or other jurisdiction under whose laws the foreign limited liability partnership is formed;

(2) The street address of the partnership's chief executive office and, if the partnership's chief executive office is not in this state, the street address of any office of the partnership in this state;

(3) If the partnership does not have an office in this state, the name and street address of the partnership's current agent for service of process.

(B) A partnership shall file a biennial report between the first day of April and the first day of July of each odd-numbered year that follows the calendar year in which the partnership files a statement of qualification or a foreign partnership becomes authorized to transact business in this state.

(C) The secretary of state may revoke the statement of qualification of any partnership that fails to file a biennial report when due or pay the required filing fee. To revoke a statement, the secretary of state shall provide the partnership at least sixty days' written notice of the intent to revoke, mailed to the partnership at its chief executive office set forth in the last filed statement of qualification or biennial report or sent by electronic mail to the last electronic mail address provided to the secretary of state. The notice shall specify the report that the partnership failed to file, the unpaid fee, and the effective date of the revocation. The revocation is not effective if the partnership files the report and pays the fee before the effective date of the revocation.

(D) A revocation under division (C) of this section affects only a partnership's status as a limited liability partnership and is not an event of dissolution of the partnership.

(E) A partnership whose statement of qualification is revoked may apply to the secretary of state for reinstatement within two years after the effective date of the revocation. The application for reinstatement shall state the name of the partnership, the effective date of the revocation, and that the ground for revocation either did not exist or has been corrected.

(F) A reinstatement under division (E) of this section relates back to and takes effect as of the effective date of the revocation, and the partnership's status as a limited liability partnership continues as if the revocation had never occurred.
