

Ohio Revised Code

Section 2113.34 Chargeable with property consumed.

Effective: January 13, 2012

Legislation: Senate Bill 124 - 129th General Assembly

If an executor or administrator neglects to sell personal property that is required to be sold, and retains, consumes, or disposes of it for the executor's or administrator's own benefit, the executor or administrator shall be charged with the personal property at double the value affixed to the property by the appraisers.
