

Ohio Revised Code

Section 2151.354 Orders of disposition of unruly child.

Effective: June 30, 2011

Legislation: Senate Bill 122 - 129th General Assembly

(A) If the child is adjudicated an unruly child, the court may:

(1) Make any of the dispositions authorized under section 2151.353 of the Revised Code;

(2) Place the child on community control under any sanctions, services, and conditions that the court prescribes, as described in division (A)(4) of section 2152.19 of the Revised Code, provided that, if the court imposes a period of community service upon the child, the period of community service shall not exceed one hundred seventy-five hours;

(3) Suspend the driver's license, probationary driver's license, or temporary instruction permit issued to the child for a period of time prescribed by the court and suspend the registration of all motor vehicles registered in the name of the child for a period of time prescribed by the court. A child whose license or permit is so suspended is ineligible for issuance of a license or permit during the period of suspension. At the end of the period of suspension, the child shall not be reissued a license or permit until the child has paid any applicable reinstatement fee and complied with all requirements governing license reinstatement.

(4) Commit the child to the temporary or permanent custody of the court;

(5) Make any further disposition the court finds proper that is consistent with sections 2151.312 and 2151.56 to 2151.59 of the Revised Code;

(6) If, after making a disposition under division (A)(1), (2), or (3) of this section, the court finds upon further hearing that the child is not amenable to treatment or rehabilitation under that disposition, make a disposition otherwise authorized under divisions (A)(1), (4), (5), and (8) of section 2152.19 of the Revised Code that is consistent with sections 2151.312 and 2151.56 to 2151.59 of the Revised Code.

(B) If a child is adjudicated an unruly child for committing any act that, if committed by an adult, would be a drug abuse offense, as defined in section 2925.01 of the Revised Code, or a violation of division (B) of section 2917.11 of the Revised Code, in addition to imposing, in its discretion, any other order of disposition authorized by this section, the court shall do both of the following:

- (1) Require the child to participate in a drug abuse or alcohol abuse counseling program;
- (2) Suspend the temporary instruction permit, probationary driver's license, or driver's license issued to the child for a period of time prescribed by the court. The court, in its discretion, may terminate the suspension if the child attends and satisfactorily completes a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court. During the time the child is attending a program as described in this division, the court shall retain the child's temporary instruction permit, probationary driver's license, or driver's license, and the court shall return the permit or license if it terminates the suspension.

(C)(1) If a child is adjudicated an unruly child for being an habitual truant, in addition to or in lieu of imposing any other order of disposition authorized by this section, the court may do any of the following:

- (a) Order the board of education of the child's school district or the governing board of the educational service center in the child's school district to require the child to attend an alternative school if an alternative school has been established pursuant to section 3313.533 of the Revised Code in the school district in which the child is entitled to attend school;
- (b) Require the child to participate in any academic program or community service program;
- (c) Require the child to participate in a drug abuse or alcohol abuse counseling program;
- (d) Require that the child receive appropriate medical or psychological treatment or counseling;
- (e) Make any other order that the court finds proper to address the child's habitual truancy, including an order requiring the child to not be absent without legitimate excuse from the public school the child is supposed to attend for five or more consecutive days, seven or more school days

in one school month, or twelve or more school days in a school year and including an order requiring the child to participate in a truancy prevention mediation program.

(2) If a child is adjudicated an unruly child for being an habitual truant and the court determines that the parent, guardian, or other person having care of the child has failed to cause the child's attendance at school in violation of section 3321.38 of the Revised Code, in addition to any order of disposition authorized by this section, all of the following apply:

(a) The court may require the parent, guardian, or other person having care of the child to participate in any community service program, preferably a community service program that requires the involvement of the parent, guardian, or other person having care of the child in the school attended by the child.

(b) The court may require the parent, guardian, or other person having care of the child to participate in a truancy prevention mediation program.

(c) The court shall warn the parent, guardian, or other person having care of the child that any subsequent adjudication of the child as an unruly or delinquent child for being an habitual or chronic truant may result in a criminal charge against the parent, guardian, or other person having care of the child for a violation of division (C) of section 2919.21 or section 2919.24 of the Revised Code.
