(B) Anyone who knows, or has reasonable cause to suspect based on facts that would cause a reasonable person in similar circumstances to suspect, that a child under eighteen years of age or a mentally retarded, developmentally disabled, or physically impaired person under twenty-one years of age has suffered or faces a threat of suffering any physical or mental wound, injury, disability, or other condition of a nature that reasonably indicates abuse or neglect of the child may report or cause reports to be made of that knowledge or reasonable cause to suspect to the entity or persons specified in this division. (1) When a municipal or county peace officer receives a report concerning the possible abuse or neglect of a child or the possible threat of abuse or neglect of a child, upon receipt of the report, the municipal or county peace officer who receives the report shall refer the report to the appropriate public children services agency.

(2) When a public children services agency receives a report pursuant to this division or division (A) or (B) of this section, upon receipt of the report, the public children services agency shall do both of

the following:

(a) Comply with section 2151.422 of the Revised Code;

(b) If the county served by the agency is also served by a children's advocacy center and the report alleges sexual abuse of a child or another type of abuse of a child that is specified in the memorandum of understanding that creates the center as being within the center's jurisdiction, comply regarding the report with the protocol and procedures for referrals and investigations, with the coordinating activities, and with the authority or responsibility for performing or providing functions, activities, and services stipulated in the interagency agreement entered into under section 2151.428 of the Revised Code relative to that center.

(E) No township, municipal, or county peace officer shall remove a child about whom a report is made pursuant to this section from the child's parents, stepparents, or guardian or any other persons having custody of the child without consultation with the public children services agency, unless, in the judgment of the officer, and, if the report was made by physician, the physician, immediate removal is considered essential to protect the child from further abuse or neglect. The agency that must be consulted shall be the agency conducting the investigation of the report as determined pursuant to section 2151.422 of the Revised Code.

(F)(1) Except as provided in section 2151.422 of the Revised Code or in an interagency agreement entered into under section 2151.428 of the Revised Code that applies to the particular report, the public children services agency shall investigate, within twenty-four hours, each report of child abuse or child neglect that is known or reasonably suspected or believed to have occurred and of a threat of child abuse or child neglect that is known or reasonably suspected or believed to exist that is referred to it under this section to determine the circumstances surrounding the injuries, abuse, or neglect or the threat of injury, abuse, or neglect, the cause of the injuries, abuse, neglect, or threat, and the person or persons responsible. The investigation shall be made in cooperation with the law enforcement agency and in accordance with the memorandum of understanding prepared under division (J) of this section. A representative of the public children services agency shall, at the time of initial contact with the person subject to the investigation, inform the person of the specific complaints or allegations made against the person. The information shall be given in a manner that is consistent with division (H)(1) of this section and protects the rights of the person making the report

under this section.

A failure to make the investigation in accordance with the memorandum is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from the report or the suppression of any evidence obtained as a result of the report and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person. The public children services agency shall report each case to the uniform statewide automated child welfare information system that the department of job and family services shall maintain in accordance with section 5101.13 of the Revised Code. The public children services agency shall submit a report of its investigation, in writing, to the law enforcement agency.

(2) The public children services agency shall make any recommendations to the county prosecuting attorney or city director of law that it considers necessary to protect any children that are brought to its attention.

(b) Notwithstanding section 4731.22 of the Revised Code, the physician-patient privilege shall not be a ground for excluding evidence regarding a child's injuries, abuse, or neglect, or the cause of the injuries, abuse, or neglect in any judicial proceeding resulting from a report submitted pursuant to this section.

(2) In any civil or criminal action or proceeding in which it is alleged and proved that participation in the making of a report under this section was not in good faith or participation in a judicial proceeding resulting from a report made under this section was not in good faith, the court shall award the prevailing party reasonable attorney's fees and costs and, if a civil action or proceeding is voluntarily dismissed, may award reasonable attorney's fees and costs to the party against whom the

civil action or proceeding is brought.

(H)(1) Except as provided in divisions (H)(4) and (N) of this section, a report made under this section is confidential. The information provided in a report made pursuant to this section and the name of the person who made the report shall not be released for use, and shall not be used, as evidence in any civil action or proceeding brought against the person who made the report. Nothing in this division shall preclude the use of reports of other incidents of known or suspected abuse or neglect in a civil action or proceeding brought pursuant to division (M) of this section against a person who is alleged to have violated division (A)(1) of this section, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker of the report is not the defendant or an agent or employee of the defendant, has been redacted. In a criminal proceeding, the report is admissible in evidence in accordance with the Rules of Evidence and is subject to discovery in accordance with the Rules of Criminal Procedure.

(2) No person shall permit or encourage the unauthorized dissemination of the contents of any report made under this section.

(3) A person who knowingly makes or causes another person to make a false report under division (B) of this section that alleges that any person has committed an act or omission that resulted in a child being an abused child or a neglected child is guilty of a violation of section 2921.14 of the Revised Code.

(4) If a report is made pursuant to division (A) or (B) of this section and the child who is the subject of the report dies for any reason at any time after the report is made, but before the child attains eighteen years of age, the public children services agency or municipal or county peace officer to which the report was made or referred, on the request of the child fatality review board or the director of health pursuant to guidelines established under section 3701.70 of the Revised Code, shall submit a summary sheet of information providing a summary of the report to the review board of the county in which the deceased child resided at the time of death or to the director. On the request of the review board or director, the agency or peace officer may, at its discretion, make the report available to the review board or director. If the county served by the public children services agency is also served by a children's advocacy center and the report of alleged sexual abuse of a child or another type of abuse of a child is specified in the memorandum of understanding that creates the

center as being within the center's jurisdiction, the agency or center shall perform the duties and functions specified in this division in accordance with the interagency agreement entered into under section 2151.428 of the Revised Code relative to that advocacy center.

(5) A public children services agency shall advise a person alleged to have inflicted abuse or neglect on a child who is the subject of a report made pursuant to this section, including a report alleging sexual abuse of a child or another type of abuse of a child referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 of the Revised Code, in writing of the disposition of the investigation. The agency shall not provide to the person any information that identifies the person who made the report, statements of witnesses, or police or other investigative reports.

(I) Any report that is required by this section, other than a report that is made to the state highway patrol as described in section 5120.173 of the Revised Code, shall result in protective services and emergency supportive services being made available by the public children services agency on behalf of the children about whom the report is made, in an effort to prevent further neglect or abuse, to enhance their welfare, and, whenever possible, to preserve the family unit intact. The agency required to provide the services shall be the agency conducting the investigation of the report pursuant to section 2151.422 of the Revised Code.

(J)(1) Each public children services agency shall prepare a memorandum of understanding that is signed by all of the following:

(a) If there is only one juvenile judge in the county, the juvenile judge of the county or the juvenile judge's representative;

(b) If there is more than one juvenile judge in the county, a juvenile judge or the juvenile judges' representative selected by the juvenile judges or, if they are unable to do so for any reason, the juvenile judge who is senior in point of service or the senior juvenile judge's representative;

(c) The county peace officer;

(d) All chief municipal peace officers within the county;

- (2) A memorandum of understanding shall set forth the normal operating procedure to be employed by all concerned officials in the execution of their respective responsibilities under this section and division (C) of section 2919.21, division (B)(1) of section 2919.22, division (B) of section 2919.23, and section 2919.24 of the Revised Code and shall have as two of its primary goals the elimination of all unnecessary interviews of children who are the subject of reports made pursuant to division (A) or (B) of this section and, when feasible, providing for only one interview of a child who is the subject of any report made pursuant to division (A) or (B) of this section. A failure to follow the procedure set forth in the memorandum by the concerned officials is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of any reported child abuse or child neglect and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person.
- (3) A memorandum of understanding shall include all of the following:
- (a) The roles and responsibilities for handling emergency and nonemergency cases of abuse and neglect;
 - (b) Standards and procedures to be used in handling and coordinating investigations of reported

cases of child abuse and reported cases of child neglect, methods to be used in interviewing the child who is the subject of the report and who allegedly was abused or neglected, and standards and procedures addressing the categories of persons who may interview the child who is the subject of the report and who allegedly was abused or neglected.

(4) If a public children services agency participated in the execution of a memorandum of understanding under section 2151.426 of the Revised Code establishing a children's advocacy center, the agency shall incorporate the contents of that memorandum in the memorandum prepared pursuant to this section.

(5) The clerk of the court of common pleas in the county may sign the memorandum of understanding prepared under division (J)(1) of this section. If the clerk signs the memorandum of understanding, the clerk shall execute all relevant responsibilities as required of officials specified in the memorandum.

(K)(1) Except as provided in division (K)(4) of this section, a person who is required to make a report pursuant to division (A) of this section may make a reasonable number of requests of the public children services agency that receives or is referred the report, or of the children's advocacy center that is referred the report if the report is referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 of the Revised Code, to be provided with the following information:

- (a) Whether the agency or center has initiated an investigation of the report;
- (b) Whether the agency or center is continuing to investigate the report;
- (c) Whether the agency or center is otherwise involved with the child who is the subject of the report;
- (d) The general status of the health and safety of the child who is the subject of the report;
- (e) Whether the report has resulted in the filing of a complaint in juvenile court or of criminal charges in another court.

(2) A person may request the information specified in division (K)(1) of this section only if, at the time the report is made, the person's name, address, and telephone number are provided to the person who receives the report.

When a municipal or county peace officer or employee of a public children services agency receives a report pursuant to division (A) or (B) of this section the recipient of the report shall inform the person of the right to request the information described in division (K)(1) of this section. The recipient of the report shall include in the initial child abuse or child neglect report that the person making the report was so informed and, if provided at the time of the making of the report, shall include the person's name, address, and telephone number in the report.

Each request is subject to verification of the identity of the person making the report. If that person's identity is verified, the agency shall provide the person with the information described in division (K)(1) of this section a reasonable number of times, except that the agency shall not disclose any confidential information regarding the child who is the subject of the report other than the information described in those divisions.

(3) A request made pursuant to division (K)(1) of this section is not a substitute for any report required to be made pursuant to division (A) of this section.

(4) If an agency other than the agency that received or was referred the report is conducting the investigation of the report pursuant to section 2151.422 of the Revised Code, the agency conducting the investigation shall comply with the requirements of division (K) of this section.

(L) The director of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section. The department of job and family services may enter into a plan of cooperation with any other governmental entity to aid in ensuring that children are protected from abuse and neglect. The department shall make recommendations to the attorney general that the department determines are necessary to protect children from child abuse and child neglect.

(M) Whoever violates division (A) of this section is liable for compensatory and exemplary damages to the child who would have been the subject of the report that was not made. A person who brings a

civil action or proceeding pursuant to this division against a person who is alleged to have violated division (A)(1) of this section may use in the action or proceeding reports of other incidents of known or suspected abuse or neglect, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker is not the defendant or an agent or employee of the defendant, has been redacted.

(N)(1) As used in this division:

(a) "Out-of-home care" includes a nonchartered nonpublic school if the alleged child abuse or child neglect, or alleged threat of child abuse or child neglect, described in a report received by a public children services agency allegedly occurred in or involved the nonchartered nonpublic school and the alleged perpetrator named in the report holds a certificate, permit, or license issued by the state board of education under section 3301.071 or Chapter 3319. of the Revised Code.

(b) "Administrator, director, or other chief administrative officer" means the superintendent of the school district if the out-of-home care entity subject to a report made pursuant to this section is a school operated by the district.

(2) No later than the end of the day following the day on which a public children services agency receives a report of alleged child abuse or child neglect, or a report of an alleged threat of child abuse or child neglect, that allegedly occurred in or involved an out-of-home care entity, the agency shall provide written notice of the allegations contained in and the person named as the alleged perpetrator in the report to the administrator, director, or other chief administrative officer of the out-of-home care entity that is the subject of the report unless the administrator, director, or other chief administrative officer is named as an alleged perpetrator in the report. If the administrator, director, or other chief administrative officer of an out-of-home care entity is named as an alleged perpetrator in a report of alleged child abuse or child neglect, or a report of an alleged threat of child abuse or child neglect, that allegedly occurred in or involved the out-of-home care entity, the agency shall provide the written notice to the owner or governing board of the out-of-home care entity that is the subject of the report. The agency shall not provide witness statements or police or other investigative reports.

(3) No later than three days after the day on which a public children services agency that conducted

the investigation as determined pursuant to section 2151.422 of the Revised Code makes a disposition of an investigation involving a report of alleged child abuse or child neglect, or a report of an alleged threat of child abuse or child neglect, that allegedly occurred in or involved an out-of-home care entity, the agency shall send written notice of the disposition of the investigation to the administrator, director, or other chief administrative officer and the owner or governing board of the out-of-home care entity. The agency shall not provide witness statements or police or other investigative reports.

(O) As used in this section, "investigation" means the public children services agency's response to an accepted report of child abuse or neglect through either an alternative response or a traditional response.
