

Ohio Revised Code

Section 2151.552 Written information to foster caregiver in another county and school district.

Effective: September 29, 1999

Legislation: House Bill 283 - 123rd General Assembly

No later than five days after a child described in section 2151.55 of the Revised Code is enrolled in school in the district described in that section, the placing entity shall provide in writing the information described in division (B) of section 2151.551 of the Revised Code to the school district and the child's foster caregiver.
