

Ohio Revised Code

Section 2501.02 Qualification, term and jurisdiction of appellate judges.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

Each judge of a court of appeals shall have been admitted to practice as an attorney at law in this state and have, for a total of six years preceding the judge's appointment or commencement of the judge's term, engaged in the practice of law in this state or served as a judge of a court of record in any jurisdiction in the United States, or both. One judge shall be chosen in each court of appeals district every two years, and shall hold office for six years, beginning on the ninth day of February next after the judge's election.

In addition to the original jurisdiction conferred by Section 3 of Article IV, Ohio Constitution, the court shall have jurisdiction upon an appeal upon questions of law to review, affirm, modify, set aside, or reverse judgments or final orders of courts of record inferior to the court of appeals within the district, including the finding, order, or judgment of a juvenile court that a child is delinquent, neglected, abused, or dependent, for prejudicial error committed by such lower court.

The court, on good cause shown, may issue writs of supersedeas in any case, and all other writs, not specially provided for or prohibited by statute, necessary to enforce the administration of justice.
