

Ohio Revised Code Section 2505.05 Notice of appeal.

Effective: March 17, 1987

Legislation: House Bill 412 - 116th General Assembly

The notice of appeal described in section 2505.04 of the Revised Code shall conform, in the case of an appeal of a final order, judgment, or decree of a court, with the Rules of Appellate Procedure or the Rules of Practice of the Supreme Court and shall designate, in the case of an administrative-related appeal, the final order appealed from and whether the appeal is on questions of law or questions of law and fact. In the notice, the party appealing shall be designated the appellant, and the adverse party, the appellee. In the case of an administrative-related appeal, the failure to designate the type of hearing upon appeal is not jurisdictional, and the notice of appeal may be amended with the approval of the appellate court for good cause shown.
