

Ohio Revised Code

Section 2737.12 Objections to sureties.

Effective: August 26, 1982

Legislation: House Bill 254 - 114th General Assembly

The movant or the respondent may object to the surety of the other by filing with the court within ten days after the filing of the surety's bond an exception to the sufficiency of the surety. All objections to sureties are otherwise waived. When an exception to a surety is made, that surety shall show to the court that it is sufficient to fulfill the obligations of its bond. After an exception has been made, the levying officer may execute the order of possession in accordance with section 2737.09 of the Revised Code, but shall not take any further action until the surety is found by the court to be sufficient or is replaced by sufficient surety.
