(2) Any substance for which there is an approved new drug application;

(3) With respect to a particular person, any substance if an exemption is in effect for investigational use for that person pursuant to federal law to the extent that conduct with respect to that substance is pursuant to that exemption.

(I) Any offender who received a mandatory suspension of the offender's driver's or commercial driver's license or permit under this section prior to September 13, 2016, may file a motion with the sentencing court requesting the termination of the suspension. However, an offender who pleaded guilty to or was convicted of a violation of section 4511.19 of the Revised Code or a substantially similar municipal ordinance or law of another state or the United States that arose out of the same set of circumstances as the violation for which the offender's license or permit was suspended under this section shall not file such a motion.

Upon the filing of a motion under division (I) of this section, the sentencing court, in its discretion, may terminate the suspension.

The Legislative Service Commission presents the text of this section as a composite of the section as amended by multiple acts of the General Assembly. This presentation recognizes the principle stated in R.C. 1.52(B) that amendments are to be harmonized if reasonably capable of simultaneous operation.
