- (B) In determining if any equipment, product, or material is drug paraphernalia, a court or law enforcement officer shall consider, in addition to other relevant factors, the following:
- (1) Any statement by the owner, or by anyone in control, of the equipment, product, or material, concerning its use;
- (2) The proximity in time or space of the equipment, product, or material, or of the act relating to the equipment, product, or material, to a violation of any provision of this chapter;

 - (7) Any descriptive material accompanying the equipment, product, or material and explaining or depicting its use;
