

Ohio Revised Code

Section 2925.31 Abusing harmful intoxicants.

Effective: April 9, 2025

Legislation: House Bill 29

(A) Except for lawful research, clinical, medical, dental, or veterinary purposes, no person, with purpose to induce intoxication or similar physiological effects, shall obtain, possess, or use a harmful intoxicant.

(B) Whoever violates this section is guilty of abusing harmful intoxicants, a misdemeanor of the first degree. If the offender previously has been convicted of a drug abuse offense, abusing harmful intoxicants is a felony of the fifth degree.

(C)(1) If the offender is a professionally licensed person, in addition to any other sanction imposed for a violation of this section, the court immediately shall comply with section 2925.38 of the Revised Code.

If the offender has a driver's or commercial driver's license or permit, section 2929.33 of the Revised Code applies.

(2) Any offender who received a mandatory suspension of the offender's driver's or commercial driver's license or permit under this section prior to September 13, 2016, may file a motion with the sentencing court requesting the termination of the suspension. However, an offender who pleaded guilty to or was convicted of a violation of section 4511.19 of the Revised Code or a substantially similar municipal ordinance or law of another state or the United States that arose out of the same set of circumstances as the violation for which the offender's license or permit was suspended under this section shall not file such a motion.

Upon the filing of a motion under division (C)(2) of this section, the sentencing court, in its discretion, may terminate the suspension.
