

## Ohio Revised Code

Section 2941.10 Indictment failing to negative any exception, excuse, or proviso contained in statute.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

No indictment or information for any offense created or defined by statute is objectionable for the reason that it fails to negative any exception, excuse, or proviso contained in the statute creating or defining the offense. The fact that the charge is made is an allegation that no legal excuse for the doing of the act exists in the particular case.
