The judge may dismiss the motion without a hearing but may not issue an order suspending the community notification requirement without a hearing. At the hearing, all parties are entitled to be heard, and the judge shall consider all of the factors set forth in division (K) of this section. If, at the conclusion of the hearing, the judge finds that the offender has proven by clear and convincing evidence that the offender is unlikely to commit in the future a sexually oriented offense or a child-victim oriented offense and if the judge finds that suspending the community notification requirement is in the interests of justice, the judge may suspend the application of this section in relation to the offender. The order shall contain both of these findings.

The judge promptly shall serve a copy of the order upon the sheriff with whom the offender most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code and upon the bureau of criminal identification and investigation.

An order suspending the community notification requirement does not suspend or otherwise alter an offender's duties to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and does not suspend the victim notification requirement under section 2950.10 of the Revised Code.

(2) A prosecuting attorney, a sentencing judge or that judge's successor in office, and an offender who is subject to the community notification requirement under this section may initially make a motion under division (H)(1) of this section upon the expiration of twenty years after the offender's duty to comply with division (A)(2), (3), or (4) of section 2950.04, division (A)(2), (3), or (4) of section 2950.041 and sections 2950.05 and 2950.06 of the Revised Code begins in relation to the offense for which the offender is subject to community notification. After the initial making of a motion under division (H)(1) of this section, thereafter, the prosecutor, judge, and offender may make a subsequent motion under that division upon the expiration of five years after the judge has entered an order denying the initial motion or the most recent motion made under that division.

The sheriff shall promptly inform the bureau of criminal identification and investigation of these requests in accordance with the forwarding

procedures adopted by the attorney general pursuant to section 2950.13 of the Revised Code.

(K) In making a determination under division (H)(1) of this section as to whether to suspend the community notification requirement under this section for an offender, the judge shall consider all relevant factors, including, but not limited to, all of the following:

(1) The offender's age;

(2) The offender's prior criminal or delinquency record regarding all offenses, including, but not limited to, all sexually oriented offenses or child-victim oriented offenses;

(3) The age of the victim of the sexually oriented offense or child-victim oriented offense the offender committed;

(4) Whether the sexually oriented offense or child-victim oriented offense the offender committed involved multiple victims;

a sexual context was part of a demonstrated pattern of abuse;

(9) Whether the offender, during the commission of the sexually oriented offense or child-victim oriented offense the offender committed, displayed cruelty or made one or more threats of cruelty;
