Section 307.18 Transfer of property to county commissioners.

Effective: December 11, 1967

Legislation: House Bill 487 - 107th General Assembly

Any agreement entered into under sections 307.14 to 307.19, inclusive, of the Revised Code, may provide for the transfer to the board of county commissioners of any property, real or personal, used or useful, in the performance of functions or the rendering of services under such agreement. Such transfer may include the proceeds of bonds issued or to be issued by the contracting subdivision, appropriate to the powers, functions, or services under the agreement, such proceeds to be expended by the board subject to the same conditions as would govern the contracting subdivision. Such transfer may convey the absolute title to such property, subject, in the case of the disposal or encumbrance of such real property by the board, to the consent of the legislative authority of the contracting subdivision; or may convey its use only, or any estate or title less than absolute; may limit the power of the board to dispose of such property; and may provide for its return, disposition, division, or distribution, in the event of the rescission or expiration of the agreement.

Any such agreement may provide for transfer to the legislative authority of the municipal corporation of any property, real or personal, used or useful, in the performance of functions or the rendering of services under such agreement. Such transfer may include the proceeds of bonds issued or to be issued by the county, appropriate to the powers, functions, or services under the agreement, such proceeds to be expended by the legislative authority of the municipal corporation subject to the same conditions as would govern the county. Such transfer may convey the absolute title to such property, subject, in the case of the disposal or encumbrance of such real property by the legislative authority, to the consent of the board; or may convey its use only, or any estate or title less than absolute; may limit the power of the legislative authority of the municipal corporation to dispose of such property; and may provide for its return, disposition, division, or distribution, in the event of the rescission or expiration of the agreement.
