

Ohio Revised Code

Section 329.041 Meetings with transit representatives to discuss transportation needs of Ohio works first participants.

Effective: July 1, 2000

Legislation: House Bill 471 - 123rd General Assembly

In each county in which there is a county transit board established by section 306.01 of the Revised Code, a county transit system operated under that section, or a regional transit authority created under section 306.32 of the Revised Code, the county department of job and family services shall meet not less than once each calendar quarter with transit representatives of the board, system, or authority. The department and transit representatives shall discuss the transportation needs of the county's Ohio works first participants, review existing efforts and develop new options to meet those needs, and measure the accomplishments of those efforts.
