

Ohio Revised Code

Section 3111.32 Information pamphlets - toll-free telephone number.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

The department of job and family services shall prepare pamphlets that discuss the benefit of establishing a parent and child relationship, the proper procedure for establishing a parent and child relationship between a father and his child, and a toll-free telephone number that interested persons may call for more information regarding the procedures for establishing a parent and child relationship.
