

## Ohio Revised Code

### Section 3119.50 Determining adequacy of support.

Effective: December 13, 2002

Legislation: House Bill 657 - 124th General Assembly

---

On the filing of a motion described in section 3119.49 of the Revised Code, the court shall determine whether the amount of child support required to be paid under the court child support order adequately covers the medical needs of the child and whether to modify the order.
