

Ohio Revised Code

Section 3301.948 Provision of data to multi-state consortium prohibited.

Effective: September 17, 2014

Legislation: House Bill 487 - 130th General Assembly

Notwithstanding anything in the Revised Code to the contrary, the department of education, any school district, any school, or any third party under contract with the state, a school district, or a school shall not provide student names and addresses to any multi-state consortium that offers summative assessments.
