

Ohio Revised Code

Section 3307.89 Offering participation in defined contribution plan to members in defined benefit plan.

Effective: January 7, 2013

Legislation: Senate Bill 342 - 129th General Assembly

The state teachers retirement board may offer to members participating in the STRS defined benefit plan the opportunity to also participate in one or more of the benefit options available under an STRS defined contribution plan. A member's contributions to an option shall be credited to an individual account established for the member in the defined contribution fund.
