

Ohio Revised Code

Section 3309.91 Member rights governed by plan selected.

Effective: April 9, 2001

Legislation: Senate Bill 270 - 123rd General Assembly

The right of each member participating in a plan established under section 3309.81 of the Revised Code to a retirement, disability, survivor, or death benefit, to health or long-term care insurance, or to a withdrawal of any amounts that have accumulated on the member's behalf shall be governed exclusively by the plan selected by the member.
