

Ohio Revised Code

Section 3313.207 Latchkey program definitions.

Effective: September 29, 2005

Legislation: House Bill 66 - 126th General Assembly

As used in sections 3313.207 to 3313.209 of the Revised Code:

- (A) "Children" means children who are enrolled in kindergarten or who are of compulsory school age.
- (B) "Latchkey program" means a program under which children are provided with child care during a fiscal year at any time outside of regular school hours. A program that contains any religious content, that uses any religious materials, or that in any way promotes or furthers any religious beliefs is not a latchkey program.
- (C) "Program provider" means any agency, organization, or individual, licensed under Chapter 5104. of the Revised Code or exempted from the licensing requirements of that chapter.
- (D) "Ancillary services" means any of the following:
- (1) Space in a building that is owned or controlled by a school district and that is used for other school district purposes in addition to latchkey programs;
 - (2) Utilities furnished in conjunction with such space;
 - (3) Transportation to a latchkey program on regular school buses.
