

## Ohio Revised Code

### Section 3313.6019 Agricultural education programs.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

---

(A) Not later than December 31, 2013, the department of education shall issue a report with recommendations for quality agricultural education programs. These recommendations shall be developed using both of the following:

(1) The standards for exemplary agricultural education that are described in the national quality program standards for secondary (grades 9-12) agricultural education developed by the national council for agricultural education or a successor document developed by the national council for agricultural education or its successor;

(2) The quality program standards for Ohio's agricultural and environmental systems career field programs or a successor document developed by the department, the Ohio association of agricultural educators, the Ohio state university, and wilmington college of Ohio.

The report shall include the appropriate use of extended programming in agricultural education programs and the recommended number of hours outside the normal school day that licensed educators may be permitted to provide extended programming instruction. Following the initial issuance of the report, the department may periodically review and update the report as it considers necessary.

(B) All agricultural education instructors shall utilize a three-part model of agricultural education instruction of classroom instruction, FFA activities, and extended programming projects.

(C) Professional development associated with agricultural education shall be considered an acceptable use of extended student programming funds.

(D) All agricultural education instructors shall submit a monthly time log to the principal of the school at which the extended programming is offered, or the principal's designee, for review.
