

## Ohio Revised Code

### Section 3313.6030

Effective: April 9, 2025

Legislation: House Bill 8

---

A school district board of education may include in its policy adopted under section 3313.6022 of the Revised Code a requirement for a criminal records check of any instructors or volunteers of a private sponsoring entity providing a released time course in religious instruction to the board's students under that policy.

The school district board of education shall determine the manner in which criminal records checks of instructors and volunteers of the private entity are conducted.
