### Section 3313.6414 Services and intervention assessments for foster child.

Effective: April 3, 2025

Legislation: House Bill 315 - 135th General Assembly

---

A school district in which a foster child is enrolled after being placed in a residential facility, as defined in section 2151.46 of the Revised Code, shall assess the needs of the child for appropriate services and interventions. To avoid duplicative assessments and minimize any negative impact on the child, the school district shall utilize all available existing assessments regarding the child. The school district shall use the results of its assessment to make recommendations to the public children services agency or private child placing agency with custody of the child.

The school district shall make recommendations for services and interventions for the child based on its assessment and, to the extent permitted by state and federal law, share the recommendations with the public children services agency or private child placing agency with custody of the child and the residential facility.
