(B)(1) The board of education of each city, local, and exempted village school district shall adopt a resolution establishing for the school district one of the following policies:

- (a) A policy that entirely prohibits the enrollment of students from adjacent districts or other districts, other than students for whom tuition is paid in accordance with section 3317.08 of the Revised Code;
- (b) A policy that permits enrollment of students from all adjacent districts in accordance with policy statements contained in the resolution;
- (c) A policy that permits enrollment of students from all other districts in accordance with policy statements contained in the resolution.
- (2) A policy permitting enrollment of students from adjacent or from other districts, as applicable, shall provide for all of the following:
- (a) Application procedures, including deadlines for application and for notification of students and the superintendent of the applicable district whenever an adjacent or other district student's application is approved.
- (b) Procedures for admitting adjacent or other district applicants free of any tuition obligation to the district's schools, including, but not limited to:
- (i) The establishment of district capacity limits by grade level, school building, and education program;

  - (4) Rejection of any applicant because the student has been subject to disciplinary proceedings, except that if an applicant has been suspended or expelled by the student's district for ten consecutive days or more in the term for which admission is sought or in the term immediately preceding the term for which admission is sought, the procedures may include a provision denying admission of such applicant.
- (D)(1) Each school board permitting only enrollment of adjacent district students shall provide information about the policy adopted under this section, including the application procedures and deadlines, to the superintendent and the board of education of each adjacent district and, upon request, to the parent of any adjacent district student.
- (2) Each school board permitting enrollment of other district students shall provide information about the policy adopted under this section, including the application procedures and deadlines, upon request, to the board of education of any other school district or to the parent of any student anywhere in the state.
- (E) Any school board shall accept all credits toward graduation earned in adjacent or other district schools by an adjacent or other district student or a native student.
- (F)(1) No board of education may adopt a policy discouraging or prohibiting its native students from applying to enroll in the schools of an adjacent or any other district that has adopted a policy permitting such enrollment, except that:
- (a) A district may object to the enrollment of a native student in an adjacent or other district in order

to maintain an appropriate racial balance.

(b) The board of education of a district receiving funds under 64 Stat. 1100 (1950), 20 U.S.C.A. 236 et seq., as amended, may adopt a resolution objecting to the enrollment of its native students in adjacent or other districts if at least ten per cent of its students are included in the determination of the United States secretary of education made under section 20 U.S.C.A. 238(a).

(2) If a board objects to enrollment of native students under this division, any adjacent or other district shall refuse to enroll such native students unless tuition is paid for the students in accordance with section 3317.08 of the Revised Code. An adjacent or other district enrolling such students may not receive funding for those students in accordance with section 3313.981 of the Revised Code.

(G) The state board of education shall monitor school districts to ensure compliance with this section and the districts' policies. The board may adopt rules requiring uniform application procedures, deadlines for application, notification procedures, and record-keeping requirements for all school boards that adopt policies permitting the enrollment of adjacent or other district students, as applicable. If the state board adopts such rules, no school board shall adopt a policy that conflicts with those rules.

(H) A resolution adopted by a board of education under this section that entirely prohibits the enrollment of students from adjacent and from other school districts does not abrogate any agreement entered into under section 3313.841 or 3313.92 of the Revised Code or any contract entered into under section 3313.90 of the Revised Code between the board of education adopting the resolution and the board of education of any adjacent or other district or prohibit these boards of education from entering into any such agreement or contract.
