Such mayor may sponsor community schools only with the approval of the city council of that city, after establishing standards with which community schools sponsored by the mayor must comply, and after entering into a sponsor agreement with the department as prescribed under section 3314.015 of the Revised Code. The mayor shall establish the standards for community schools sponsored by the mayor not later than one hundred eighty days after July 15, 2013, and shall submit them to the department upon their establishment. The department shall approve the mayor to sponsor community schools in the district, upon receipt of an application by the mayor to do so. Not later than ninety days after the department's approval of the mayor as a community school sponsor, the department shall enter into the sponsor agreement with the mayor.

Any entity described in division (C)(1) of this section may enter into a preliminary agreement pursuant to division (C)(2) of this section with the proposing person or group.

(2) A preliminary agreement indicates the intention of an entity described in division (C)(1) of this section to sponsor the community school. A proposing person or group that has such a preliminary agreement may proceed to finalize plans for the school, establish a governing authority as described in division (E) of this section for the school, and negotiate a contract with the entity. Provided the proposing person or group adheres to the preliminary agreement and all provisions of this chapter, the entity shall negotiate in good faith to enter into a contract in accordance with section 3314.03 of the Revised Code.

(3) A new start-up school that is established in a school district described in either division (A)(3)(b) or (d) of this section may continue in existence once the school district no longer meets the conditions described in either division, provided there is a valid contract between the school and a sponsor.

(4) A copy of every preliminary agreement entered into under this division shall be filed with the superintendent of public instruction.

(D) A majority vote of the board of a sponsoring entity and a majority vote of the members of the governing authority of a community school shall be required to adopt a contract and convert the public school or educational service center building to a community school or establish the new start-up school. Beginning September 29, 2005, adoption of the contract shall occur not later than the fifteenth day of March, and signing of the contract shall occur not later than the fifteenth day of May, prior to the school year in which the school will open. The governing authority shall notify the department of education when the contract has been signed. Subject to sections 3314.013 and 3314.016 of the Revised Code, an unlimited number of community schools may be established in any school district provided that a contract is entered into for each community school pursuant to this chapter.

(E)(1) As used in this division, "immediate relatives" are limited to spouses, children, parents, grandparents, siblings, and in-laws.

Each new start-up community school established under this chapter shall be under the direction of a governing authority which shall consist of a board of not less than five individuals.

(3) No present or former member, or immediate relative of a present or former member, of the governing authority of any community school established under this chapter shall be an owner, employee, or consultant of any sponsor or operator of a community school, unless at least one year has elapsed since the conclusion of the person's membership.

start-up community school shall be compensated more than four hundred twenty-five dollars per meeting of that governing authority and no such individual shall be compensated more than a total amount of five thousand dollars per year for all governing authorities upon which the individual serves.

(F)(1) A new start-up school that is established prior to August 15, 2003, in an urban school district that is not also a big-eight school district may continue to operate after that date and the contract between the school's governing authority and the school's sponsor may be renewed, as provided under this chapter, after that date, but no additional new start-up schools may be established in such a district unless the district is a challenged school district as defined in this section as it exists on and after that date.

(2) A community school that was established prior to June 29, 1999, and is located in a county contiguous to the pilot project area and in a school district that is not a challenged school district may continue to operate after that date, provided the school complies with all provisions of this chapter. The contract between the school's governing authority and the school's sponsor may be renewed, but no additional start-up community school may be established in that district unless the district is a challenged school district.

(3) Any educational service center that, on June 30, 2007, sponsors a community school that is not located in a county within the territory of the service center or in a county contiguous to such county may continue to sponsor that community school on and after June 30, 2007, and may renew its contract with the school. However, the educational service center shall not enter into a contract with any additional community school, unless the school is located in a county within the territory of the service center or in a county contiguous to such county, or unless the governing board of the service center has entered into an agreement with the department authorizing the service center to sponsor a community school in any challenged school district in the state.
