

## Ohio Revised Code

### Section 3314.023 Monitoring, oversight, and technical assistance; school closure.

Effective: September 29, 2011

Legislation: House Bill 153 - 129th General Assembly

---

In order to provide monitoring and technical assistance, a representative of the sponsor of a community school shall meet with the governing authority or treasurer of the school and shall review the financial and enrollment records of the school at least once every month.
