

Ohio Revised Code

Section 3314.086 Community schools; career-technical education.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

A community school established under this chapter, including an internet- or computer-based community school, may provide career-technical education in the manner prescribed by section 3313.90 of the Revised Code. The community school may contract with any public agency, board, or bureau or with any private individual or firm for the purchase of any career-technical education or vocational rehabilitation service for any student enrolled in the community school and may pay for such services with funds received under section 3314.08 of the Revised Code.
