

Ohio Revised Code

Section 3314.086 Community schools; career-technical education.

Effective: September 30, 2021

Legislation: House Bill 110

A community school established under this chapter, including an internet- or computer-based community school, may provide career-technical education in the manner prescribed by section 3313.90 of the Revised Code. The community school may contract with any public agency, board, or bureau or with any private individual or firm for the purchase of any career-technical education or vocational rehabilitation service for any student enrolled in the community school and may pay for such services with funds received under section 3317.022 of the Revised Code.
