### Section 3314.26 Withdrawal of computer-based school student not taking tests.

Effective: October 3, 2023

Legislation: House Bill 33

---

(A) Each internet- or computer-based community school shall withdraw from the school any student who, for two consecutive school years of enrollment in the school, has failed to participate in the spring administration of any assessment prescribed under section 3301.0710 or 3301.0712 of the Revised Code for the student's grade level and was not excused from the assessment pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code, regardless of whether a waiver was granted for the student under division (L)(3) of section 3314.08 of the Revised Code. The school shall report any such student's data verification code, as assigned pursuant to section 3301.0714 of the Revised Code, to the department of education and workforce. The department shall maintain a list of all data verification codes reported under this division and section 3313.6410 of the Revised Code and provide that list to each internet- or computer-based community school and to each school to which section 3313.6410 of the Revised Code applies.

(B) No internet- or computer-based community school shall receive any state funds under this chapter for any enrolled student whose data verification code appears on the list maintained by the department under division (A) of this section.

Notwithstanding any provision of the Revised Code to the contrary, the parent of any such student shall pay tuition to the internet- or computer-based community school in an amount equal to the state funds the school otherwise would receive for that student, as determined by the department. An internet- or computer-based community school may withdraw any student for whom the parent does not pay tuition as required by this division.
