(A) The board of education of any school district may expend moneys from its general revenue fund for the operation of such student activity programs included in the program of each school district as authorized by its board of education. Such expenditure shall not exceed five-tenths of one per cent of the board's annual operating budget.

Expenditures from the fund shall be subject to approval of the board.

(C) The board of education of any school district may purchase accident insurance for pupils participating in school athletic programs for which the school district is authorized to expend public money. The board also may, to the extent it considers necessary, establish a self-insurance plan for the protection of such pupils against loss or expense resulting from bodily injury or death by accident, or for the payment of any deductible under a policy of accident insurance procured pursuant to this division.
